Education

Bachelor of Technology (B.Tech) in Computer Science and Engineering

Minor in Artificial Intelligence / Machine Learning

SR University, Warangal, Telangana, India

CGPA: 9.2

2027

Experience

AIML Intern link

July 2024 – September 2024

EduSkill,Remote

- Developed interactive machine learning applications using Python and Scikit-learn.
- Optimised system performance, reducing response time by 25%.

AI Intern link

October 2024 – December 2024

MIST (AI Virtual Internship), Remote

- Developed machine learning applications using Python and Scikit-learn.
- Improved model efficiency, reducing response time by 25%.

Projects

Weather Forecast Application (React.js) Link

Feb 2026

- Developed a React-based weather application integrating a third-party API to fetch real-time data.
- Implemented dynamic UI using React Hooks and optimized state management.
- Designed a responsive interface supporting mobile, tablet, and desktop screens.
- Integrated error handling and loading states to improve user experience while fetching weather data from the API.

HotelHub – Full-Stack (MERN + MVC) Link

Nov 2025 – Dec 2025

- Built a full-stack hotel booking platform using the MERN stack and MVC architecture.
- Implemented authentication and booking features supporting multiple users with CRUD operations.
- Developed and integrated 10+ RESTful API endpoints.
- Structured the backend using MVC architecture to improve code organization, scalability, and maintainability.

Skills

Programming Languages: JavaScript, Java, Python

Frontend: HTML, CSS, JavaScript, ReactJS, Bootstrap, Responsive Web Design

Backend: Node.js, Express.js, RESTful APIs

Databases: MongoDB, MySQL

DevOps & Cloud: Docker (Basics), Kubernetes, CI/CD Pipelines, GitHub Actions

Version Control: Git, GitHub

Tools: Visual Studio Code, IntelliJ IDEA

Core CS: Data Structures & Algorithms (250+ LeetCode Problems) LeetCode Profile

Certifications

Microsoft Certified: Azure AI Fundamentals (AI-900) link file

2024

- Knowledge of AI workloads, ML concepts, and Azure AI services.
